As the authorized representative of Click Bond, Inc the undersigned warrants and represents the product identified on this Certificate of Conformance has been manufactured, inspected and unless otherwise noted conforms in all respects to the applicable customer purchase order, drawings, specifications and standards. The information appearing herein is true and accurate. This certificate may be used to induce payment with the knowledge the information and certification may be used as a basis for such payment.

If no customer specific Quality Requirement is stipulated in your purchase order, goods produced are inspected to Click Bond's Registered Quality and Environmental Systems. The systems and procedures conform to the requirements of AS9100, ISO 9001, ISO 14001 and ISO 10012.

Click Bond, Inc certifies these goods were not manufactured with and do not contain ozone depleting substances mercury, pure tin, pure zinc, cadmium or radioactive material. Complete reports of physical and chemical tests and composition are on file for customer examination.

Products represented by this certificate of conformance were manufactured in the United States of America and comply with the requirements of DFARS 252 225-7009 with Alternate 1.

Where applicable Click Bond warrants the performance of the fixtures for 10 years from the date of certification.
